A sous voile wine (aged under flor yeast) made by legendary low interventionist duo Benedicte and Stephane Tissot. This wine hails from the Jura region of France, known for its eclectic varieties and unconventional winemaking. This wine is no exception, displaying notes of crisp green apple and pear, complemented by savoury and nutty characters. Try this with our Rainbow Trout, Spanish Mackerel or Vully Organic semi-hard cheese.

The Longsong wine and drinks list focuses on smaller producers, with a strong bend towards artisan wine, local brewers and Australian distillers. The list supports the great number of avant-garde and high-quality winegrowers and makers found in Victoria, but also the wonderful importers and distributors who call Victoria home. Therefore, you'll find Australian wines on our list from our home state, alongside an array of incredible wines

from around the globe. We also find strength in collaboration and draw on our deep contacts in the local wine, beer and spirit community to craft unique drinks for our venue as reflection of the season - our tap wines and house spirits, vermouths and distillates reflect this ethos. Like our kitchen menu, we look to support those growing, farming and producing their wares sustainably.
